YOU ARE MY MOON

1) You are my moon
You are my life
You are my force
you are my light

Without you
There is no peace
Without you there's
No love.

Do you forgive me?
I was a stupid
I believed you different
But I was wrong

Now stay here
We have to decide
Of the future of me
And you.

Rit. You, you are all that the world can have
You, you are what everybody wants
Let you live this life with me
Please don't live a false teens. No!

Let me stay with you
If I stay with you
We will fly.

2) You are my soul
You are my living
You are my support
You are my heart

Without you
There is no hope
Without you there's
No heat.

When I see you
My heart is beating
You take my uncertain hand
I'll walk with you

Looking at you
I see an angel
Who's descended from heaven
For me.

Rit. You, you are all that the world can have...
(If I stay alone with you
We will fly.)
